

# PAID FAMILY LEAVE

## Impact on Black Maternal and Infant Health

Paid family leave is paid time away from work to take care of significant family caregiving needs, like welcoming a new child into the family.

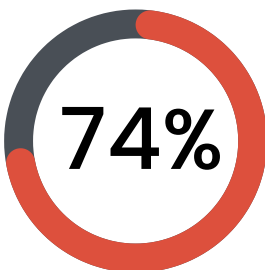

## HOW WOULD PAID FAMILY LEAVE HELP FAMILIES?

Improved Mental Well-Being  
Job Security

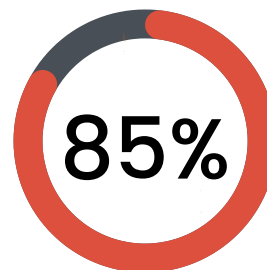

Stronger Family Relationships  
Better Family Health

"Paid family leave eliminates unnecessary stress and parents can afford basic needs and direct attention back to their family."

Percent of Missouri households with children in which all parents work.

"Paid family leave means that families won't have to choose between family health and paying rent."

Percent of Black mothers who are primary earners in their household.
